

Candidate Sites Score Map: Three Electronic Music Festival Venue Clusters

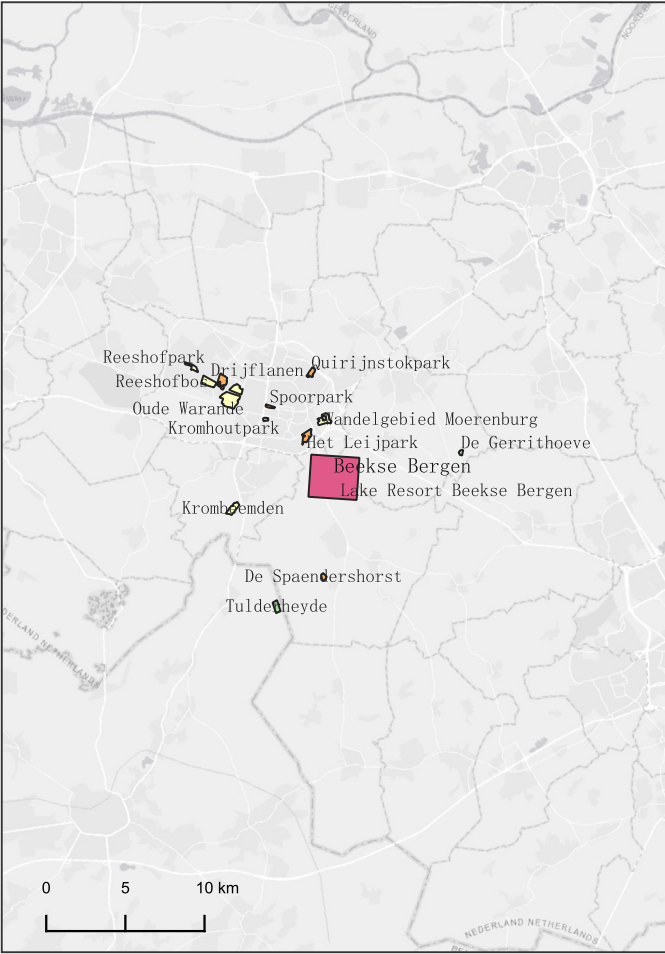

Candidate-site polygons are graduated by total_score; real festival venues are overlaid for spatial reference.

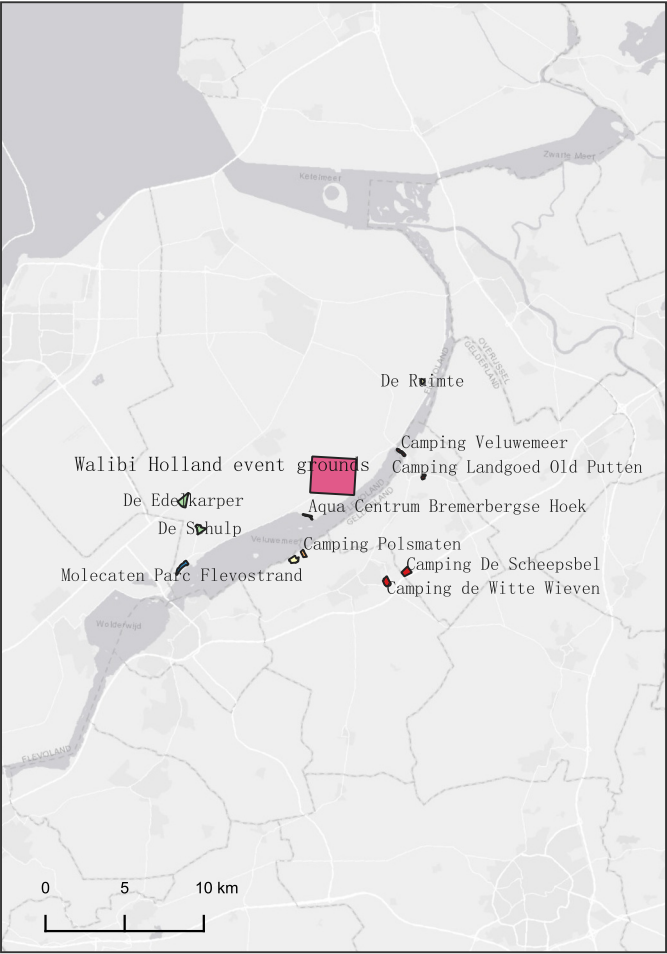

A. Tomorrowland / De Schorre cluster

B. Awakenings / Beekse Bergen cluster

C. Defqon.1 / Walibi Holland cluster

Legend

- candidate_sites
- site_score_explanation
- 29.41 – 34.312
- 34.312 – 39.214

CRS: EPSG:3035 (meters); scale bars use kilometers. Base map: Light Gray Canvas. Source: PostGIS site_score_explanation and venues.

Note: De Schorre display label uses the standardized venue name; the original OSM candidate name is preserved in the database.
